Invitation to Outreach!

Because we have been so blessed during this Pandemic...

The Mission/Service/Community Outreach has met recently, at Session's direction, to consider how we have been blessed to be a blessing. The committee has named a handful of non-profit organizations in our community that we would like both to bless and to partner with. We will be sharing something about possibilities for partnership and volunteering with you in the coming weeks. Please join us in our gratitude to God (and the faithful stewards at Central) for continuing to bless us even in uncertain times!

More to come! As a Matthew 25 Church, it is vitally important that we engage with our community!

Invitation to Upreach!

We will continue to worship online through April, BUT, we are working towards becoming a hybrid church (with worshippers engaging one another from both church and home). A team of Session members will be attending a class on the subject with 20 other churches in our Synod on 4/14, 21, and 28. We are excited to find ways to gather in the sanctuary and maintain a connection with folks who can only join us online. Session has also put together a Task Force to begin exploring ways to improve the "back forty" to be used for both community gatherings and worship and prayer. Please also pray for God's guidance in these important ministry considerations.

Order of Worship

Will be sent later this week.
