**GOSPEL SERVICE**

**This Sunday, June 18**

Remember all those great gospel hymns that were  
sung during revival services?

Invite a friend to come with you as we sing  
many of those golden oldies during worship.

**Sharing Our Campus**

We discovered during our New Beginnings meetings that two of CPC's greatest resources (gifts) are our heart for hospitality and our wonderful buildings and grounds.

We have opportunities to share both these gifts by opening our buildings, and our hearts, to our neighbors. Over the years we have hosted several groups. Currently these include The Art Guild of Central Texas and Starry Counseling Center.

We are now sharing our space with some new neighbors. There is a new congregation forming, tentatively calling themselves Woodway Church of Christ. For several weeks, they have met in our Activities Center on Sunday evenings for fellowship and recreation. The Session has decided to further support this young church by allowing them to use our Activities Center on Sunday mornings for their worship. They will continue to have fellowship, Bible study, and recreation on Sunday evenings.

This will be on a trial basis for 4 months. We and the Church of Christ will be assessing whether this meets needs and helps us fulfill our purpose and unique missions. This will in no way conflict with our own church activities. This will not conflict with our regular potluck meals. Of course, neither of us have done this before so we will learn as we go!

It is a great opportunity to share our gifts and to help our brothers and sisters in Christ grow in their faith. We'll keep you posted on how the relationship develops.
