"There appeared to them Elijah with Moses, who were talking with Jesus"

To look at the world today has many people asking: "Are we doomed to remain the way we are?" "Are people going to go on forever behaving the way they are until we bring ourselves down?" The world is changing fast in the areas of technology, science, architecture, music, arts, ethics, et al. - and so much of it does not appear for the better.

Pastoral Potpourri It takes much longer, and is much more difficult, to change the motives of people than to change what surrounds us. But it can be done - it has to be done.

Christianity stands or falls by the truth of its Gospel that God in Christ transforms us. That Christ remakes us. And remade people blaze and steadfastly pursue new ways of living and caring for those who accompany us on this journey. Transformed people change the world!

I'll see you in church, Stephen
