**Greetings from Judith!**

Judith March Hardie

A progressive PCUSA pastor called 2 go & grow, 2  
teach & learn, 2 & serve, 2 invite & welcome ALL!

I want to let you know that I do have a Facebook page; some at Central have already found and friended me! Please know that this is my personal Facebook page - I do not keep a separate professional persona online or in the real world - because I see myself as a regular person called to serve God (as are we all). I have been advised, however, not to put anyone in the awkward position of deciding whether or not to friend me. So, though I will not send friend requests, I will very happily accept them!

For those of you too young, too old, too wise or uncertain to be on Facebook, my cell phone/texting number is 779-200-2247, and my personal email is judithhardie67@gmail.com (I will be setting up a church email address soon!), and I am on Snap, and MarcoPolo as well. I do have Instagram and Twitter accounts, but like my MySpace, they've been fairly dormant for some time. If you would like to help me get to know you, I'd love if you would send me a

picture of you and/or your family, along with your names. I am fairly visual in my acquisition of new information, and would love to begin to know you!

And, by all means, mark your calendars for Sunday, October 14, when we will actually meet in person! See you in church!! Grace and Peace, Judith

**CPC Service Committee**

The Service Committee has been meeting to review, revise, and refresh our service to the community. As we prayerfully seek to discern where and how we are called to serve, we're asking the congregation for input. Are there needs in the community that we've overlooked? Have you noticed something lacking and thought "someone should . . ." ? Maybe CPC can.

Please reach out to a member of the Service Committee (Laura Clifton, Tricia Tolbert, Michelle Deivanayagam, Judy Riley, Karen Groman & Angela Ceccato) and share your ideas. Maybe we can fill a gap where needs are not being met. Laura Clifton, Committee Chair
